NOTIFICATION

CALL FOR INTERNSHIP

Agri-Rural IDEATHON Kerala

Innovating Agriculture and Rural Futures - A State-Level Ideation Programme

The K-AgTech LaunchPad, College of Agriculture, Vellayani, invites applications for a Short-Term Ideation Internship to support the planning, organisation, and execution of Agri-Rural IDEATHON Kerala, a state-level initiative aimed at promoting innovative solutions for agriculture and rural development.

This responsibility-oriented internship offers hands-on exposure to the end-to-end management of a flagship ideation programme, encompassing guided planning, coordination, stakeholder engagement, and on-the-ground implementation of innovation-driven activities.

Preferred Qualifications

Candidates from the following disciplines are encouraged to apply:

- M.Sc. Agricultural Extension – 1 No.
- M.Sc. Agricultural Economics – 1 No.
- MBA (Agri-Business Management) – 1 No.
- B.Tech – Computer Science & Engineering – 1 No.

Internship Responsibilities (From Initiation to Conducting and Reporting)

The intern shall be engaged in the internship programme from the stage of initiation through execution and final reporting, and shall perform the following responsibilities:

- Assisting in the conceptualisation, systematic planning, and organised conduct of the Agri-Rural IDEATHON Kerala, under the guidance of designated mentors
- Providing support to agri-technology and agri-business ideation, innovation, and entrepreneurship initiatives
- Contributing to the innovation, incubation, outreach, and ecosystem development activities of K-AgTech LaunchPad
- Working in close coordination with mentors, faculty members, incubatees, and other relevant stakeholders for effective implementation of assigned activities

Final Internship Deliverables

- Proper documentation of all activities undertaken during the internship period
- Preparation and submission of a comprehensive internship report in the prescribed format
- Presentation of internship outcomes, learnings, and contributions before the competent authority/review committee

Duration – One Month

Important Dates

Last date of application via google form: 28 January 2026
Interview date: 30 January 2026
Internship Commencement: 07 February 2026
Ideation Event Date: 25 February 2026 (Tentative)

Venue: K-AgTech LaunchPad, College of Agriculture, Vellayani

*Interns will be physically located at the College of Agriculture, Vellayani.

Internship Benefits

- Certificate of Internship upon successful completion
- Honorarium: ₹7,500/- (Rupees Seven Thousand Five Hundred only)
- Hands-on exposure to the agri-tech innovation and incubation ecosystem

Be part of a state-level initiative shaping the future of agriculture and rural innovation.

Innovate. Organise. Implement.
