Contractor Requirements:

1. The contractor must be experienced, technically competent, and capable of executing aluminium fabrication works as per specifications.
2. The contractor shall ensure the use of good quality materials and skilled workmanship, and the work site shall be kept clean and safe during execution.

Additional Terms:

1. The quoted rate shall be on a per square foot basis and shall include material, labour, tools, and all incidental charges.
2. Payment will be made only for the actual quantity of work executed and measured at site.
3. The contractor should be a proprietor, partner, or a registered firm/company, and must possess valid GST registration and other statutory registrations, if applicable.
4. The work shall not be sublet without prior written permission from this office.
5. The contractor shall complete the work within the stipulated time as communicated by this office.
6. In case of any defect, damage, or unsatisfactory workmanship noticed during or after execution, the contractor shall rectify the same at their own cost within the time specified.
7. If the quality of work or progress is found to be unsatisfactory, this office reserves the right to terminate the contract by giving 15 days' notice. Either party may also terminate the contract prematurely by giving one month's advance notice. This office further reserves the right to impose additional reasonable conditions consistent with the execution of aluminium fabrication works, even if not explicitly mentioned here.
8. The contract will initially be valid for the duration required to complete the approved work, and may be extended, if necessary, based on site conditions and satisfactory performance, on the same terms and conditions.

9. The Chief Executive Officer K-AgTech LaunchPad, has the right to accept or reject any or all of the offers without assigning any reason. The decision of the undersigned in finalizing the quotation will be final and binding.

Sealed quotations should reach this office on or before **11.00 AM on 09.01.2026**. The envelope containing the quotation should be superscribed as **“Quotation for Aluminum Fabrication – Partition Work”** and should be addressed to the **CEO, K-AgTech LaunchPad, College of Agriculture, Vellayani**.

The quotations will be opened at 11.30 AM on the same day in the presence of those bidders or their authorised representatives who are present at that time.

If the date of opening the quotation happens to be a holiday due to unforeseen circumstances such as harthal, strike, etc., the quotations will be opened on the next working day at the same time.
